The three risks on APN 40120169, named

The first page is the record. This one is the part a listing photo leaves out. Read it before the price, not after.

1. ACCESS GAP

> County-maintained road frontage on the plat. Maintenance is a county function, not a seller promise: confirm the road is on the maintained list with Cochise County Roads before you rely on it. 34 feet is enough frontage to reach the parcel. It is not a driveway, and it does not prove the road was ever built. Ask for the road's maintenance class in writing.

2. IMPROVEMENT TRAP

> The certificate is on the land, and the parcel is vacant under use code 0013. Anything built or parked on it before the certificate is foreclosed follows the land, so a redeeming owner takes the improvement with it. Septic and well are not proven by the county file: approach this as raw dirt, budget the well and the septic, and do not build until the deed is yours.

3. TAX AND CARRY

> The number on page 1 is the tax year 2029 lien. Every later tax year attaches to the same parcel and is added to what a buyer pays to clear it. The 16% certificate rate runs only while the certificate is unredeemed and stops at redemption or foreclosure. Special district assessments are not in this figure. Budget the added years, and confirm the running total at the counter the same morning.

VALUATION, ON THE SAME PLAT

Nearest live ask, same plat	**$8,400 · $1,875 an acre**
Full cash value, assessor	$5,600
All-in against retail	3.7%
Assignment at 60% of retail	**$5,667**
Spread against the outlay	$8,933, 38.6 times the money

AT THE COUNTER, IN ORDER

1. Ask the Treasurer back tax window (option 3, then 2) for the running total on APN 40120169 that morning.
2. Pay the whole amount due. The certificate is assigned to you at the window, $10 fee, A.R.S. 42-18122. The county shall assign it, no auction and no bidder number.
3. Record the assignment. The certificate is prima facie evidence of the lien, 42-18119.
4. Diary the three year clock from the certificate date under 42-18201(A). Notice of intent to foreclose runs 30 to 180 days before the action.

TERMS

$89 for this parcel, $209 for the three. Paid before the document; the document lands inside two hours or the fee is refunded in full. Non-exclusive: the abstract is yours to keep and to hand to a lender, a surveyor or a title company.
