The 19 November auction, the ten items under $3,000

Ninety items go to the auctioneer in Las Vegas NM on 19 November. Fourteen of them open under $3,000. These are the ten worth the drive, with the case number, the UPC, the delinquent owner, the legal description and the minimum bid, so you can register and bid without transcribing anything.

New Mexico deeds the property at the auction under 7-38-67 NMSA. There is no state redemption after the sale, so the deed is clean of the tax debt. Two things survive and both are in the Division's own terms: perfected interests that predate the lien, and a 120 day federal IRS redemption where a federal lien exists. Due diligence on those two, not on the taxes.

THE SALE

Thursday 19 November 2026, 10:00, San Miguel County chambers, 500 West National, second floor, Las Vegas NM 87701. Register on site from 08:00 the day of the sale with photo ID. Payment in full before the auction closes, cash or certified funds. The sale continues until every item has been offered. Anything unsold is re-offered immediately at a lower minimum under 7-38-67(E).

HOW THE RETAIL COLUMN IS BUILT

New Mexico prints a minimum bid and nothing else, no acreage and no assessed value on most items. The retail column here is the minimum bid at 1.6x, which is the shape of the town-lot market in Las Vegas, and the paper column is retail plus 10% on a carried note at 12% over 60 months with 15% down. Where the legal description carries dimensions, the square footage is printed. Treat retail as a target, not an appraisal: the Assessor's office on the same block has the value record.

BIDDING, IN ORDER

1. Read the ten legal descriptions against the Assessor's plat before the 19th. Town lots are 25 to 63 feet wide; a lot with no frontage on a platted street is a paper lot.
2. Register at the door from 08:00 on the 19th with photo ID. The registered bidder is the buyer, no assignment after.
3. Bid the minimum or over. The auctioneer takes the highest, and may withdraw or regroup any item.
4. Pay in full before the sale closes. The Department deeds the property after payment. No state redemption.
5. Record the deed at the San Miguel County Clerk the same week, and run the IRS lien check inside the 120 day window if a federal lien shows on the parcel.
